

Healthcare: Exporting to Germany Seminar

Friday 10 July 2009

Bailbrook House Hotel, Bath

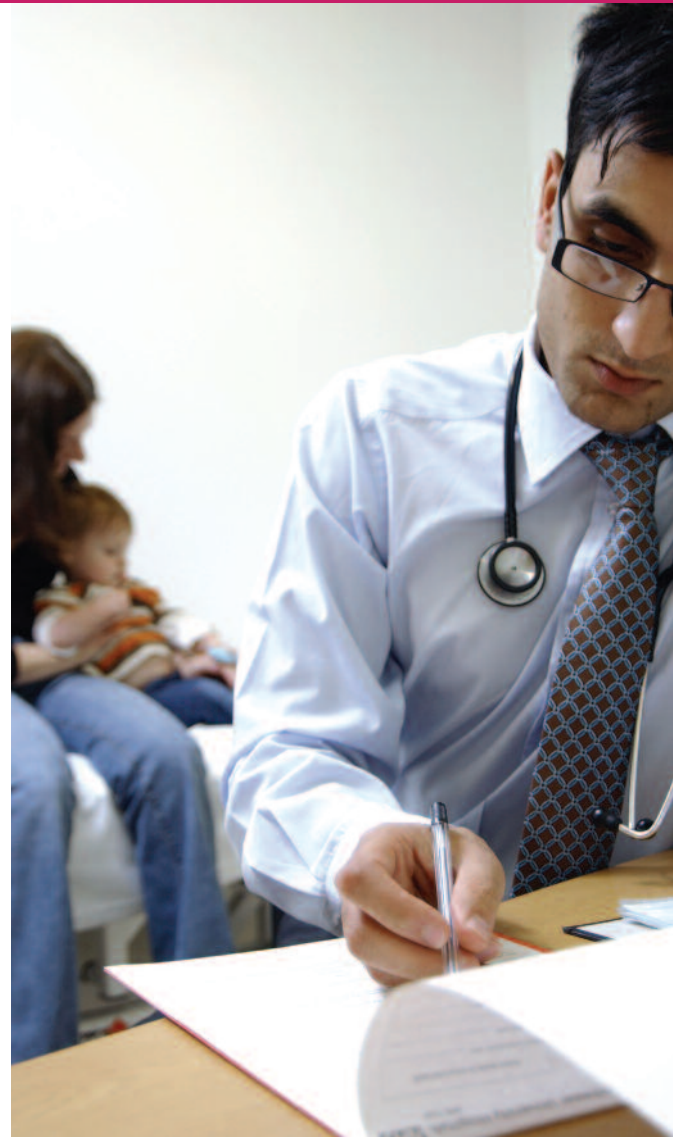

Registration – 9.30am

**Seminar – 10.00am to 3.00pm
(including lunch)**

UK Trade & Investment (UKTI) would like to invite you to take part in a UKTI sponsored regional healthcare seminar covering the essentials for all UK based companies who are considering entering the German healthcare market.

Attending companies will gain an understanding of the issues and opportunities associated with trading into the German healthcare market.

The aim of the seminar is to provide information on regulatory issues, the reimbursement process, and routes to market, as well as key sector focused marketing platforms for British companies. This should greatly enhance the ability of UK companies intending to export healthcare products to the German market.

Key areas to be covered

- Introduction to UK Trade & Investment Services in Germany
- The German Medical Devices Market
- Reimbursement of Medical Devices in Germany
- Hilfsmittelliste (Medical Aids Directory)
- Case Study by German Distributor specialising in Medical Products

There will also be an opportunity over lunch and at the end of the Seminar to network with the speakers from Germany, International Trade Advisers and representatives from the Lifesciences Sector Team.
