2019 INTERNATIONAL EVENTS CALENDAR

EXHIBITIONS AND TRADE MISSIONS

ABHI are organising a number of exhibitions and trade missions in 2019. Participation in the UK Pavilion at exhibitions and attendance at trade missions organised by ABHI provide companies with exposure, opportunities, support and assistance that they would not receive attending independently. ABHI streamlines exhibition and mission preparation, ensuring that companies save time and effort. Participation in these activities are open to any UK company.

25 – 29 March	Trade Mission to Tennessee Tennessee has a strong tech and entrepreneurial culture, offering huge potential for UK HealthTech companies looking for new collaboration and growth opportunities. With major healthcare providers including HCA and Envision headquartered in Nashville, this is a unique opportunity to build relationships with healthcare leaders at the very highest level.	Nashville and Memphis, USA
29 April – 3 May	Trade Mission to Texas Our mission to Texas will introduce you to a highly developed ecosystem, offering access to executive and clinical hospital leaders, accelerators, business chambers, and professional service companies. You will also visit our US Accelerator at Dell Medical School and learn about the opportunities available for UK companies looking to grow their business in Texas.	Texas, USA
14 – 17 May	ABHI UK Pavilion at China Medical Equipment Fair Exhibit in the ABHI-supported UK Pavilion at CMEF, China's leading healthcare trade show and the largest in the Asia Pacific region. The 2019 show will welcome 120,000 attendees including government procurement agencies, hospital buyers and dealers from over 100 countries and regions.	Shanghai, China
10 – 14 June	Trade Mission to California Joining this ABHI-led mission to California will help accelerate market entry and reduce the time it takes to return a profit in California. Our week-long programme provides companies with unprecedented access to executive teams in world-class hospital systems, building on ABHI's extensive relationships.	California, USA
11 – 13 September	ABHI UK Pavilion at Medical Fair Thailand 2019 Exhibit in the UK Pavilion as part of an ABHI-supported group, where you will be visible to over 9,000 visitors from 65 countries looking for hospital, diagnostic, pharmaceutical, medical and rehabilitation equipment and supplies.	Bangkok, Thailand
23 – 27 September	AdvaMed's The MedTech Conference and Trade Mission The leading MedTech Conference in the USA sees over 1,000 companies meet in a unique environment for strategic relationship building, business development, world-class plenary and conference sessions, and networking. This visit will include a mission component providing access to Boston's healthcare ecosystem.	Boston, USA
19 – 25 October	Anesthesiology 2019 and Trade Mission Join a week-long ABHI programme to take advantage of discounted entrance fees and preferential conference access at Anesthesiology 2019, the ASA's annual event with over 14,000 attendees. The group will also meet hospital leadership teams to help forge new long-term partnerships.	Florida, USA
18 – 21 November	ABHI UK Pavilion at Medica 2019 ABHI will again be leading the UK's largest and most visible Pavilion of health technology companies at MEDICA 2019, the leading global exhibition for the medical sector. Exhibit in the UK Pavilion and meet distributors and buyers from around the world to develop business with new and existing contacts.	Dusseldorf, Germany
2 – 6 December	ABHI Trade Mission to Texas ABHI returns to Texas in December, giving companies seeking new US opportunities the chance to build relationships in this highly developed ecosystem, including executive and clinical leaders in hospitals, accelerators, business chambers, professional service companies and the Dell Medical School, home of ABHI's US Accelerator.	Texas, USA
27 – 30 January 2020	ABHI UK Pavilion at Arab Health 2020 ABHI will again lead the UK Pavilion for UK companies looking to expand their business in the Middle East. Exhibit with us and be part of a highly visible UK-branded Pavilion supported by our extensive PR media and marketing campaign before and during the show. Tradeshow Access Programme grants will be available to eligible companies to contribute towards exhibiting costs.	Dubai, UAE

The Association of British HealthTech Industries (ABHI) supports the HealthTech community to provide products and services that help people live healthier lives. As the voice of the industry, we show the value of health technology and overcome barriers to people benefiting from it now and in the future.

We shape how data and technology will transform healthcare and improve the lives of patients. We work with regulators and help companies understand the environment, so patients can access HealthTech safely and quickly.

英国医疗保健行业协会 (ABHI) 为医疗科技群体提供支持。医疗科技群体提供的产品和服务帮助人们过上更健康的生活。作为行业的代言人，我们向大众展现医疗科技的价值，并克服重重障碍，只为让普罗大众在当前或未来的生活中能从医疗科技中获益。

我们展现了数据和技术将如何改变医疗保健并改善患者的生活，并与监管机构合作，帮助公司了解各类环境情况，使患者能够安全、快速地获得医疗科技的帮助。

York Instruments and Megin are the global leaders in functional brain imaging providing the next-generation magnetoencephalography (MEG) scanner. MEG is commonly used for functional imaging of patients undergoing brain surgery due to epilepsy, trauma/stroke, or brain tumours. MEG data offers excellent spatial and temporal resolution, which means much better outcomes from surgery when MEG is part of the pre-surgery workup. Additional development is currently in the application of MEG in concussion diagnosis.

York Instruments公司和Megin公司是脑功能成像领域的全球领先企业，生产新一代脑磁图 (MEG) 扫描仪。MEG通常用于对因癫痫、创伤/中风或脑肿瘤而接受脑外科手术的 patient 进行功能成像。MEG数据提供了极好的空间和时间分辨率，这意味着当MEG用作术前检查的一部分时，手术的结果会更理想。目前，MEG在脑震荡诊断中的应用也有了新的进展。
