

ABHI's week-long trade mission programmes provide companies with access to senior leaders, clinicians and procurement teams from world class hospital systems across multiple states.

*Please note: The 2020 missions are still in the planning stages are subject to change.*

<b>2 – 6 December 2019</b>	<b>Texas</b> The first official mission for the new class of ABHI US Accelerator companies. This visit to Austin, Dallas and Houston will provide high level connections with ABHI's extensive network across the state including health systems, industry bodies, companies and professional services firms. The mission will provide a chance to build on and follow up with connections made in the earlier September orientation visit and help set the scene for the coming year.	<b>Austin, Dallas &amp; Houston</b>
<b>27 – 30 January 2020</b>	<b>Arab Health 2020</b> The ABHI UK Pavilion at Arab Health 2020 offers companies the most comprehensive exhibition package, support and visibility available at the show. In providing you with the best pavilion location to maximise footfall, the highest visibility, complete in-market support and the lowest square metre price to participate, the ABHI UK Pavilion has an exhaustive range of additional benefits exclusively available to companies in the ABHI group.	<b>Dubai</b>
<b>9 – 12 April 2020</b>	<b>CMEF 2020</b> CMEF is considered the leading Healthcare trade show in China and is now the largest Medical Equipment exhibition in the Asia Pacific region attracting over 60,000 visitors. The exhibition in 2020 will be taking place in the largest exhibition centre in Shanghai and attracts over 2000 exhibitors from 21 countries as well as 13 national country pavilions.	<b>Shanghai</b>
<b>May 2020 Dates TBC</b>	<b>Texas &amp; Tennessee</b> Visiting Austin and attending the Austin Healthcare Council's Health Transformation Summit, which attracts leading hospital and industry executives from across the USA, provides a powerful networking and partnering opportunity. Visits will also be made to leading providers in San Antonio, before travelling on to Nashville to meet with senior executives from the Nashville Healthcare Council and the regions hospital systems.	<b>Austin, San Antonio &amp; Nashville</b>
<b>July 2020 Dates TBC</b>	<b>Minnesota &amp; Ohio</b> Home to two powerhouses of health in the Mayo Clinic and Cleveland Clinic our visit to Minnesota and Ohio will provide access to these leading systems but also to the concentration of lifesciences companies and other top health systems across both States.	<b>Minneapolis &amp; Cleveland</b>
<b>9 - 11 September 2020</b>	<b>Medical Fair Asia</b> Medical Fair Asia continues to be Southeast Asia's most definitive event for the medical and healthcare industry, gathering the region's hospital, diagnostic, pharmaceutical, medical and rehabilitation sectors in one convenient location and providing the perfect platform to discover the latest industry innovations, to network and do business.	<b>Singapore</b>
<b>5 - 9 October 2020</b>	<b>Ontario &amp; New York</b> Returning to Advamed's 'The Medtech Conference', taking place in Toronto in 2020, our delegation will then travel on to New York to engage with one of the USA's strongest health clusters and home to many leading systems such as New York Presbyterian, Mount Sinai and Langone Hospital.	<b>Toronto &amp; New York City</b>
<b>26 – 29 October 2020</b>	<b>California</b> This visit takes in OCTANE's annual Medical Technology Innovation Forum (MTIF) in Orange County. The event brings together entrepreneurs and medical device corporate leaders, as well as universities, researchers and venture capitalists to one of the nation's most dynamic ecosystems. As well as attending this event, the group will also visit with leading health systems in LA meeting clinicians and hospital leaders.	<b>Los Angeles &amp; Orange County</b>
<b>16 – 19 November 2020</b>	<b>MEDICA 2020</b> ABHI will again be leading the UK's largest and most visible Pavilion of health technology companies at MEDICA 2020, the leading global exhibition for the medical sector. Companies joining ABHI will meet distributors and buyers from around the world to develop business with new and existing contacts.	<b>Düsseldorf</b>
<b>30 Nov – 4 Dec 2020</b>	<b>Texas</b> Visiting the world's largest medical area in the TMC in Houston, this mission will introduce you to leaders from health systems across the city. We will engage with our network across the state as we visit Dallas and Austin to bring introductions and follow-up with health systems and engage supply chain and procurement leaders.	<b>Houston, Dallas &amp; Austin</b>
